D/ICS-0410-82
26 AUG 1982

MEMORANDUM FOR: Director, National Security Agency
SUBJECT: National ELINT Plan - 1982

I have reviewed the National ELINT Plan - 1982 (NEP-82), and agree that it is a definitive and well coordinated treatment of the subject. I have attached a list of recommended changes for your consideration, and believe, with the inclusion of these changes, we will have a document worthy of the effort which has been expended on its behalf.
